Current Issues in Veterinary Medical Education

The WSU College of Veterinary Medicine Teaching Academy invites you to a workshop series with Small Animal Internist and accomplished Educator, Dr. India Lane.

DR. INDIA LANE

At the University of Tennessee Knoxville, Dr. Lane has focused on clinical and research interests in small animal urology while becoming increasingly involved in teaching development and educational planning.

Dr. Lane has received several awards for teaching and educational work, including:

- Provost's Award for Excellence in Teaching at the University of Tennessee
- Faculty Recognition Award from the Tennessee Veterinary Medical Association Faculty
- Wharton Professorship in the College of Veterinary Medicine

Dr. Lane currently is a Professor of Medicine in the Department of Small Animal Clinical Sciences and serves as the Assistant Vice President for Academic Affairs and Student Success at the University of Tennessee. As Assistant Vice President, she facilitates academic programs, policies and other collaborative initiatives at UT campuses across the state. Dr. Lane continues to participate in teaching urology to veterinary students and to developing graduate student and faculty teaching skills in the UT College of Veterinary Medicine.
